Alejandro Borbalán *Dueñas*

SENIOR FRONT-END DEVELOPER

Zaragoza and surroundings, Spain

OPEN TO WORK · SENIOR DEVELOPER

Zaragoza, Spain

linkedin.com/in/alejandro-borbalan

> Front-End Developer with over 7 years of experience building web interfaces with Angular, React and TypeScript. I have worked at companies such as nettrim technology, Deloitte and 10Labs, leading application development and collaborating in international environments. Looking for a senior role where I can keep growing in front-end architecture and product development.
